# Welcome to FunShine Digital Christian Lessons!

Your child's teacher/child care provider will be offering Bible stories this year through our FunShine Digital® Christian program. This program is for ages 3–5. It is designed to help children understand what God's Word means for them and how it relates to their lives. What a privilege it is to teach children about God and his wondrous love!

## What We Believe

- Faith Lessons are nondenominational and based on the Bible.
- The Bible is the inspired word of God.
- Jesus is the Son of God who died for our sins and rose on the third day. We believe Jesus returned to heaven and is preparing a place for us to spend eternity with him.
- Children need to learn about God and have a relationship with him from a very early age.
- God's love for each of us is so great that it is beyond our human understanding.

## What Will My Child Learn?

The Faith Lesson offered each month is organized into five flexible lessons. Your child's teacher/child care provider can choose to cover one lesson per day or one per week. Each month's lessons include a variety of child-friendly learning experiences:

**Bible Verse:** One age-appropriate Bible verse is introduced each month. This Bible verse is reviewed in each lesson in a different manner. Review helps the Bible verse to be instilled in the children's hearts and minds.

**Bible Storybook:** A Bible storybook is referenced each month. Each suggested book supports the lesson. Books may retell the Bible story or offer a related story.

**Enrichment Practice Pages:** Includes an activity reinforcing skills through the Bible story, and a rebus story of the Bible lesson for the children to color and take home.

**Prayer Time:** Closing each day with prayer teaches the children the reasons and different ways we may talk to God.

**Art Activities:** These creative projects/props support the lesson concept, the Bible story, and the Bible verse.

**Additional Activities:** These include games, recipes, dramatic play, songs, and many more ways to build understanding of the Bible lesson and apply its principles to children's lives.

Built-in family engagement will keep you involved in your child's learning. We provide a Family Newsletter with songs and additional activities for you to do with your child at home to reinforce the Bible story.
