June • Fun in the Sun

Cover the bulletin board with bright blue paper or fabric and add a yellow border. Enlist the children's help to paint a large paper plate orange. Glue it to the center of the bulletin board. Offer the children long paper triangles to paint with yellow and orange paint. Add the painted triangles to the paper plate to create the rays of the sun. Take pictures of the children participating in fun summer activities and add them around the sun. Add the caption "Fun in the Sun."
