Seasoned Snack Mix

Ingredients:

- 1/2 cup vegetable oil
- 1 tsp. dill
- 1 pkg. dry ranch dressing mix

Have children help pour dry snack items into a large bowl that has a lid. Suggestions include fish-shaped crackers/pretzels, oyster crackers, triangular crackers (fins), pretzels (twigs), puffed cheese curls (coral), triangular chips (whale tails), and slivered almonds (shark teeth).

Add the ingredients to a small bowl. Mix well and drizzle over the dry snack foods. Place a lid on the large bowl, and invite children to help you shake it. Spread the coated snack foods over a baking pan. Bake at 300°F for about 30 minutes. Let cool.

Lion Snack

Ingredients:

- pineapple rings
- shredded carrots
- raisins
- grapes (sliced in half)

Give each child a plate. Have children select a pineapple ring to serve as the lion’s head. Offer shredded carrots in a bowl. Invite children to use tongs to gather carrots and place them on their plates. Have them use their fingers to sprinkle the carrots around the outside of the pineapple ring to serve as the mane. Offer raisins and sliced grapes to place in the center of the ring as eyes and a nose.
